Product ID:	1aad0232-d8e6-47c3-9f77-6cc1f4cbc981
Status:	Attention needed
Publisher name:	Ayon Roy
Review completed:	10/20/2026

Please take the following action

We reviewed your submission and identified some changes that are needed before we can publish or update the extension. Please make these changes and resubmit your extension. For more information, contact your Microsoft representative. For faster responses, please include your Product ID.

Report details

Technical requirement policies	Notes to publisher
1.1.3 Distinct Function & Value; Accurate Representation	Unfortunately, we cannot test the product because the product's primary functions are not usable. Steps to reproduce: 1. Open an eyewear shop e.g https://www.ray-ban.com/ and select any frame 2. Click on the extension popup icon 'Try This Frame' or open the extension and select 'Open Virtual Try-On Studio' on the UI. 3. Notice that the extension redirects to a nonfunctional website: http://localhost:3000/#try-on

Resources and help

Note: Your current certification results may differ from earlier submissions because Microsoft Edge Add-ons store developer policy requirements can change over time. When policies change, we might re-test according to the new
